

Furth

Riesling Kremstal DAC

<i>Origin:</i>	Furth bei Göttweig
<i>Appellation:</i>	Kremstal DAC
<i>Grapes:</i>	Riesling (100%)
<i>Vintage:</i>	2020
<i>Analysis:</i>	12.5 % alcohol 4.0 g/l residual sugar 8.1 g/l total acidity
<i>Closure:</i>	screw cap

Area of production: The name of the village where the winery is located is called „Furth“. All the grapes are coming from our own vineyards (100% estate fruit) within the village. Furth is located on the southern waterside of the river Danube, on the foothills of the „Stift Göttweig“ monastery.

Both, rocky soils of weathered primary rock and deep loess covers can be found, therefore it is not surprising that both, Grüner Veltliner and Riesling, are planted.

Soil composition: mixture of primary rock and loess grounds

Age of vines: 10-50 years

Vinification: handpicked selected grapes, soft pressing, temperature controlled fermentation in stainless steel, settling in big wooden barrels (4.000 to 6.000 l, NO oak taste) before bottling which allows the wine to clarify itself without filtration

Character: fresh, crisp, fruit driven
good balanced and very drink-friendly

Preservation: to be drunk young or with a bottle maturation up to 5 years

Serving temperature: to be served chilled at 8-10° C

Food suggestions: fits well to fish, salads, antipasti, white meat

Wine awards: Falstaff 91 points
