**HISTORY:** BERNHARD & REIBEL THE VINEYARD HEART OF ALSACE BIO.

Located in Chatenois in the heart of Alsace, on the slopes of Haut-Koenigsbourg, the family estate BERNHARD & REIBEL is led by Pierre Bernhard in organic farming since 2000 and certified organic since 2004 by the ECOCERT label. It is with passion that the independent winemaker continues the work engaged for 4 generations and strives to give his wines a strong identity, in the pure expression of terroirs and traditions.

The vineyard extends over 23 hectares on the communal appellation of the Haut-Koenigsbourg hillside, on its prestigious sites of Rittersberg, Hahnenberg and Georgenbrunn. Respecting the balance of these granitic soils and the vine, controlled yields, manual harvesting, vinification adapted to each terroir and aging in tuns give birth to wines of great complexity that express their full potential. personality.

Dry, fresh, fruity and structured, with a fullness and length in the mouth, these wines will surprise you and amaze you.
